

# premium pinot noir

## description:

The Premium Pinot Noir is made from the expertise of the team of winemakers and enologists at Alta Vista. They apply a knowledge and extensive experience of viticulture, winemaking and ageing which enhances the intrinsic expression of each varietal's characteristics and terroir. This is especially true with the Premium Pinot Noir. After a short fermentation maceration, the wine is fermented in temperature-controlled cement and stainless steel tanks. The Pinot Noir was aged approximately 6 months in oak.

## region:

argentina

## producer:

Alta Vista

## grape varieties:

Pinot Noir

## vineyard:

Valle de Uco, Mendoza

## altitude:

Above 3,280 ft A.S.L.

## alcohol:

13.00%

## tasting notes:

True varietal color, with the predominance of red tones. The bouquet has hints of red fruits with a slightly spicy note. These characteristics carry on to the palate and combine for a fresh and smooth finish. Nice round tannins add to the overall balance of this fruity pinot noir.
