

brunello di montalcino DOCG progetto prime donne

description:

Casato Prime Donne is the only winery in Italy with an all-female staff. The exception is Carlo Ferrini, the enologist, who guides the team. The Prime Donne Brunello is the top red wine. Four highly qualified women, including English Master of Wine, Maureen Ashley, meet twice a year to decide the future Brunello Prime Donne. The wine undergoes regular vinification for 15 days with both pumping over and delestages. The wine is aged in small 5–7hl barrels for the first year, later in 15hl barrels, and finally in 30–40hl barrels. Mostly new barrels are made of oak from the Massif Central.
