

terlano
trentino-alto adige

kreuth chardonnay alto adige DOC

The Kreuth vineyard, where yields are strictly limited, is located at an altitude of 1,000 feet A.S.L. in well-drained volcanic soil. After a temperature-controlled fermentation in oak barrels this age worthy wine is matured for 12 months in big oak casks, with 20% of the wine resting in barriques.

grape varieties:

Chardonnay

exposure:

South/Southwest

altitude:

250–300m A.S.L.

soil:

Volcanic porphyric soil

alcohol:

13.00%

tasting notes:

Kreuth is pale straw-colored with brilliant highlights. It has aromas of tropical fruits and minerals. It is a full-bodied, perfectly balanced wine that offers flavors of rich pear and apple nectar. Ideal with seafood, poultry or appetizers.
